We’re cat lovers here at Tonic and want to do our part to help our furry friends. Wairarapa KittyCat Rescue does the hard work of finding fosters and forever homes for wild and abandoned cats. They also help control feral populations by helping to get wild cats desexed even when they can’t be rehomed. We’ll donate \$2 from the purchase of any cocktail below to help fund the great work done by their volunteers. You get a tasty drink and help cats in need—it’s a win-win
